Drawing August 20, 2021

**Over \$1,000 in Prizes
Donation \$1.00 each or 6
for \$5.00**

It's One Week until Landaff Old Home Day Begins

For many, it's already started with everyone working hard

getting organized, providing donations, and preparing for the events

of the day. This is an all volunteer effort and you can show your

support by attending the event, inviting your friends and neighbors,

contributing by buying raffle tickets, purchasing an auction item,

or attending the Town Supper (call 838-8965/6039 for reservations and

reservations are required this year). You can also just make a donation

and even sell raffle tickets if you have the opportunity.

The raffle is a much supported item with over \$1000.00 in prizes.

Many of you purchase and if you like, print this form and begin filling

out your name and number. Bring the sheet to the auction already

filled out and save some time. Or if you want a pre-printed version

with your name and phone number filled out, email

landaffVFD@gmail.com - provide your name, phone number,

and how many tickets you would like. Provide an address and Jason will come deliver the tickets locally. He's figured out how to make printing these easy. He'll show you your tickets for approval and then accept

the money for the tickets purchased. Many people buy at least 10-20 and some even more! Good luck and Thank you!
